

Hello all GCA families

I wanted to let you all know that Teacher Appreciation week this year is
May 3rd thru the 7th

To show our teachers and faculty that they **"make a world of difference"** in our lives the GCA Board of Directors will be hosting a daily appreciation treat for them to enjoy at their leisure. We have planned a week of **"world class"** treats and have made the preparations in advance however, we are asking for a small monetary donation from our families that are able to assist. We are also asking for each student to write a small thank you note or draw a picture of gratitude for each teacher they interact with daily. Do not forget our wonderful administrative staff. With such a small school it really does take the village to make this work and we want all staff members to know how much we love them for all they give to us each day.

The schedule for the weeks travel:

Monday – *Merci pour tout ce que vous faites*

We will tour France with a sampling of pastries and coffee in the morning.

What a great way to start the week

Tuesday - *Gracias por todo lo que hacen*

We have a little Mexican Fiesta with a taco lunch for all staff members

Wednesday – *Thank you for all you do*

We will have some light snacks with a grab and go snack bar full of wonderful treats

Thursday – *Grazie per tutto quell ache fai*

Next we will tour the Italian country side with an afternoon Gelato (ice cream) break

Friday – *Danke für alles was du tust*

We will end the week with some lovely Swiss chocolates and a variety of coffees available for the staff to choose from

Thank you to all of our families for helping us celebrate our staff and give back to them a little piece of our hearts,

The GCA Board of Directors
